

# "A Finer Future Is Possible"

An Earth Day Commemoration

Sunday April 28th 3:00 P.M.

Guest Speaker:

**Hunter Lovins**

CEO, Natural Capitalism Solutions

As an internationally known and award-winning practitioner for the environment and a sustainable future, Hunter will discuss how needed economic reforms can lead us towards a regenerative economy and a circular economy which can enhance, rather than destroy, our threatened life support systems.

Colorado Mountain College Breckenridge Campus

107 Denison Placer Road Breckenridge, CO. 80424.

Sponsored by:

**Lord of the Mountains Lutheran Church**

Hunter will also speak at Lord of the Mountains Lutheran Church at 10:15 on Sunday, April 28th

Promotional and Technical support provided by: CMC Breckenridge, Summit Colorado Interfaith Council and High-Country Conservation Center
